## OPIMO COLLECTION

---

Inspired from the Latin word, 'Opimus', the Opimo Collection presents the abundance of nature's variety and depth.

The traslucent qualities of quartzite are captured by Opimo in a manner that has never been seen in quartz surfacing.

The natural color variations in each new design offer limitless possibilities to any design environment.

## INDEX

*Opimo*  
collection

# Elba White

**K5404**

Elba White is a beautiful blend of warmth and depth. Layers of cool and warm build upon each other mimicking the look of an iceberg. Its unique balance of color, tone, movement, and veining compliment any design space and the translucent qualities offer limitless possibilities.

Detail

Full-slab

# Le Blanc

**K5405**

French for 'The White' - Le Blanc pulls inspiration from the French Alps with distinctive stone colored veining and a beautiful white background covering the full slab. Its subtle tones and delicate movement allow it to be incorporated in any environments.

Detail

Full-slab

# Matterhorn

**K5406**

Bold and strong, Matterhorn mimics the beauty and majesty of this famous mountain with its snow swept peak rising from surrounding glaciers. Matterhorn offers a bold veined pattern with dynamic background color. This combination blends together to offer a rugged yet refined design.
